At our office @ 10 Akerley Blvd Unit 42
Let's talk Safety, you have questions Jim has the answers. Cost \$5.00 per person

---- STAYING FRESH AND NEW ----

OHES strives to provide the best experience to their clients, through training, safety audits and every step of the process. We are always striving to meet and exceed our client's needs. As a client, if there is something that you would like to see us offer please forward your comments to: ohes1@safetyonsite.ca

OHES is now on Twitter follow us @OHESNovaScotia

OHES is on Facebook, come check us out

---- NEWSFLASH ----

OHES now sells Scaffolding Tags, Red, Green and Yellow. They are \$2.00 each or a set of 3 for \$5.00. Please contact us to order.

---- LET'S TALK TRAINING ----

Currently our February Calender for training is posted on our website www.safetyonsite.ca, just enter the main site and have a look. You can also find the calender on our Facebook and Twitter pages.

March and April Calenders will be posted in the next few days, these will also be emailed and posted on Facebook and Twitter.

If you don't receive the training calender by email and you would like to, please email ohes1@safetyonsite.ca

A lot of the training we do is based on client needs, so if you need a course that you don't see on the calender or the timing doesn't work for you or you have a large number of people and want a private course, give us a call and we will work with you to accommodate your needs.

---- AREAS WE SERVICE AND SERVICES WE OFFER ----

OHES provides services and training in NS, PE, NB and NL.
OHES offers services outside of training, Safety Programs and as one the companies certified by WCB, we offer Safety Certified Audits, but we also provide:
site inspections, facilitate pre-employment medicals, presentations – client tailored for presentation

---- REMINDER TO OUR CLIENTS ----

Please note PPE & prerequisites for the courses listed below:

*Prerequisite's will be confirmed with the instructor at the start of the class.
Valid certification must be provided to the Instructor and will be noted.*

Course Pre-requisites and PPE requirements			
#	Course	Pre-requisite	PPE required for course
1	Respiratory Fit Testing	Clean shaven	CSA approved respirator.
2	Fall Protection		CSA approved harness and lanyard.
3	Lifts: Ariel, Scissor, Telehandler, Zoom Boom	Valid Fall Protection Please see note below	CSA approved harness, lanyard, safety boots, hard hat.
4	Overhead Crane, Rigging & Slings		CSA approved safety boots and hard hat.
5	Forklift, Front End Loader		CSA approved safety boots and hard hat.
